16 Approval of codes of practice by the Commission

(1) For the purpose of providing practical guidance with respect to the requirements of any provision of [any of the enactments or instruments mentioned in subsection (1A) below], the Commission may, subject to the following subsection ...--

(a) approve and issue such codes of practice (whether prepared by it or not) as in its opinion are suitable for that purpose;

(b) approve such codes of practice issued or proposed to be issued otherwise than by the Commission as in its opinion are suitable for that purpose.

[(1A) Those enactments and instruments are--

(a) sections 2 to 7 above;

(b) health and safety regulations, except so far as they make provision exclusively in relation to transport systems falling within paragraph 1(3) of Schedule 3 to the Railways Act 2005; and

(c) the existing statutory provisions that are not such provisions by virtue of section 117(4) of the Railways Act 1993.]

(2) The Commission shall not approve a code of practice under subsection (1) above without the consent of the Secretary of State, and shall, before seeking his consent, consult--

(a) any government department or other body that appears to the Commission to be appropriate (and, in particular, in the case of a code relating to electro-magnetic radiations, [the Health Protection Agency]); and

(b) such government departments and other bodies, if any, as in relation to any matter dealt with in the code, the Commission is required to consult under this section by virtue of directions given to it by the Secretary of State.

(3) Where a code of practice is approved by the Commission under subsection (1) above, the Commission shall issue a notice in writing--

(a) identifying the code in question and stating the date on which its approval by the Commission is to take effect; and

(b) specifying for which of the provisions mentioned in subsection (1) above the code is approved.

(4) The Commission may--

(a) from time to time revise the whole or any part of any code of practice prepared by it in pursuance of this section;

(b) approve any revision or proposed revision of the whole or any part of any code of practice for the time being approved under this section;

and the provisions of subsections (2) and (3) above shall, with the necessary modifications, apply in relation to the approval of any revision under this subsection as they apply in relation to the approval of a code of practice under subsection (1) above.

(5) The Commission may at any time with the consent of the Secretary of State withdraw its approval from any code of practice approved under this section, but before seeking his consent shall consult the same government departments and other bodies as it would be required to consult under subsection (2) above if it were proposing to approve the code.

(6) Where under the preceding subsection the Commission withdraws its approval from a code of practice approved under this section, the Commission shall issue a notice in writing identifying the code in question and stating the date on which its approval of it is to cease to have effect.

(7) References in this part to an approved code of practice are references to that code as it has effect for the time being by virtue of any revision of the whole or any part of it approved under this section.

(8) The power of the Commission under subsection (1)(b) above to approve a code of practice issued or proposed to be issued otherwise than by the Commission shall include power to approve a part of such a code of practice; and accordingly in this Part "code of practice" may be read as including a part of such a code of practice.

17 Use of approved codes of practice in criminal proceedings

(1) A failure on the part of any person to observe any provision of an approved code of practice shall not of itself render him liable to any civil or criminal proceedings; but where in any criminal proceedings a party is alleged to have committed an offence by reason of a contravention of any requirement or prohibition imposed by or under any such provision as is mentioned in section 16(1) being a provision for which there was an approved code of practice at the time of the alleged contravention, the following subsection shall have effect with respect to that code in relation to those proceedings.

(2) Any provision of the code of practice which appears to the court to be relevant to the requirement or prohibition alleged to have been contravened shall be admissible in evidence in the proceedings; and if it is proved that there was at any material time a failure to observe any provision of the code which appears to the court to be relevant to any matter which it is necessary for the prosecution to prove in order to establish a contravention of that requirement or prohibition, that matter shall be taken as proved unless the court is satisfied that the requirement or prohibition was in respect of that matter complied with otherwise than by way of observance of that provision of the code.

(3) In any criminal proceedings--

(a) a document purporting to be a notice issued by the Commission under section 16 shall be taken to be such a notice unless the contrary is proved; and

(b) a code of practice which appears to the court to be the subject of such a notice shall be taken to be the subject of that notice unless the contrary is proved.

Enforcement

18 Authorities responsible for enforcement of the relevant statutory provisions

(1) It shall be the duty of the Executive to make adequate arrangements for the enforcement of the relevant statutory provisions except to the extent that some other authority or class of authorities is by any of those provisions or by regulations under subsection (2) below made responsible for their enforcement.

(2) The Secretary of State may by regulations--

(a) make local authorities responsible for the enforcement of the relevant statutory provisions to such extent as may be prescribed;

(b) make provision for enabling responsibility for enforcing any of the relevant statutory provisions to be, to such extent as may be determined under the regulations--

(i) transferred from the Executive to local authorities or from local authorities to the Executive; or

(ii) assigned to the Executive or to local authorities for the purpose of removing any uncertainty as to what are by virtue of this subsection their respective responsibilities for the enforcement of those provisions;

and any regulations made in pursuance of paragraph (b) above shall include provision for securing that any transfer or assignment effected under the regulations is brought to the notice of persons affected by it.

(3) Any provision made by regulations under the preceding subsection shall have effect subject to any provision made by health and safety regulations . . . in pursuance of section 15(3)(c).

(4) It shall be the duty of every local authority--

(a) to make adequate arrangements for the enforcement within their area of the relevant statutory provisions to the extent that they are by any of those provisions or by regulations under subsection (2) above made responsible for their enforcement; and

(b) to perform the duty imposed on them by the preceding paragraph and any other functions conferred on them by any of the relevant statutory provisions in accordance with such guidance as the Commission may give them.

(5) Where any authority other than . . . the Executive or a local authority is by any of the relevant statutory provisions . . . made responsible for the enforcement of any of those provisions to any extent, it shall be the duty of that authority--

(a) to make adequate arrangements for the enforcement of those provisions to that extent; and

(b) [except where that authority is the Office of Rail Regulation,] to perform the duty imposed on the authority by the preceding paragraph and any other functions conferred on the authority by any of the relevant statutory provisions in accordance with such guidance as the Commission may give to the authority.

(6) Nothing in the provisions of this Act or of any regulations made thereunder charging any person in Scotland with the enforcement of any of the relevant statutory provisions shall be construed as authorising that person to institute proceedings for any offence.

(7) In this Part--

(a) "enforcing authority" means the Executive or any other authority which is by any of the relevant statutory provisions or by regulations under subsection (2) above made responsible for the enforcement of any of those provisions to any extent; and

(b) any reference to an enforcing authority's field of responsibility is a reference to the field over which that authority's responsibility for the enforcement of those provisions extends for the time being;

but where by virtue of paragraph (a) of section 13(1) the performance of any function of the Commission or the Executive is delegated to a government department or person, references to the Commission or the Executive (or to an enforcing authority where that authority is the Executive) in any provision of this Part which relates to that function shall, so far as may be necessary to

give effect to any agreement under that paragraph, be construed as references to that department or person; and accordingly any reference to the field of responsibility of an enforcing authority shall be construed as a reference to the field over which that department or person for the time being performs such a function.

(h) in the case of any article or substance found in any premises which he has power to enter, being an article or substance which appears to him to have caused or to be likely to cause danger to health or safety, to cause it to be dismantled or subjected to any process or test (but not so as to damage or destroy it unless this is in the circumstances necessary for the purpose mentioned in subsection (1) above);

45 Default powers

(1) Where, in the case of a local authority who are an enforcing authority, the Commission is of the opinion that an investigation should be made as to whether that local authority have failed to perform any of their enforcement functions, the Commission may make a report to the Secretary of State.

(2) The Secretary of State may, after considering a report submitted to him under the preceding subsection, cause a local inquiry to be held; and the provisions of subsections (2) to (5) of section 250 of the Local Government Act 1972 as to local inquiries shall, without prejudice to the generality of subsection (1) of that section, apply to a local inquiry so held as they apply to a local inquiry held in pursuance of that section.

(3) If the Secretary of State is satisfied, after having caused a local inquiry to be held into the matter, that a local authority have failed to perform any of their enforcement functions, he may make an order declaring the authority to be in default.

(4) An order made by virtue of the preceding subsection which declares an authority to be in default may, for the purpose of remedying the default, direct the authority (hereafter in this section referred to as "the defaulting authority") to perform such of their enforcement functions as are specified in the order in such manner as may be so specified and may specify the time or times within which those functions are to be performed by the authority.

(5) If the defaulting authority fail to comply with any direction contained in such an order the Secretary of State may, instead of enforcing the

order by mandamus, make an order transferring to the Executive such of the enforcement functions of the defaulting authority as he thinks fit.

(6) Where any enforcement functions of the defaulting authority are transferred in pursuance of the preceding subsection, the amount of any expenses which the Executive certifies were incurred by it in performing those functions shall on demand be paid to it by the defaulting authority.

(7) Any expenses which in pursuance of the preceding subsection are required to be paid by the defaulting authority in respect of any enforcement functions transferred in pursuance of this section shall be defrayed by the authority in the like manner, and shall be debited to the like account, as if the enforcement functions had not been transferred and the expenses had been incurred by the authority in performing them.

(8) Where the defaulting authority are required to defray any such expenses the authority shall have the like powers for the purpose of raising the money for defraying those expenses as they would have had for the purpose of raising money required for defraying expenses incurred for the purpose of the enforcement functions in question.

(9) An order transferring any enforcement functions of the defaulting authority in pursuance of subsection (5) above may provide for the transfer to the Executive of such of the rights, liabilities and obligations of the authority as the Secretary of State considers appropriate; and where such an order is revoked the Secretary of State may, by the revoking order or a subsequent order, make such provision as he considers appropriate with respect to any rights, liabilities and obligations held by the Executive for the purposes of the transferred enforcement functions.

(10) The Secretary of State may by order vary or revoke any order previously made by him in pursuance of this section.

(11) In this section "enforcement functions", in relation to a local authority, means the functions of the authority as an enforcing authority.

(12) In the application of this section to Scotland--

(a) in subsection (2) for the words " subsections (2) to (5) of section 250 of the Local Government Act 1972" there shall be substituted the words " subsections (2) to (8) of section 210 of the Local Government (Scotland) Act 1973", except that before 16th May 1975 for the said words there shall be substituted the words " subsections (2) to (9) of section 355 of the Local Government (Scotland) Act 1947";
